RETURN ASAP with deposit**

I am giving my child (print) \_\_\_\_\_ permission to travel with the Alpharetta High School Bands to perform in Anaheim, CA on March 9-11, 2018. Fundraising opportunities will be put into place to help reduce the total cost of the trip (some are already in place). Those funds will not be added until the final deposit. With that in mind, I understand that a payment schedule has been put in place. As parent/guardian of above said child, my signature confirms that I will commit to meeting the scheduled payments deadlines. Furthermore, I understand that because trip events are being paid for along the way, a *partial* refund policy is in place. I understand that in the event that I fail to make a payment it will nullify my right to any refund.
